IF IT WAS NOT FOR YOU.

Ca Last summer my best friend Amy and I decided to go on a trip and visit ^{the} main European countries as we once did it when we were back at college. Our aim was to ~~as much as we can~~ see as much as we can in just ~~one~~ ^{two} months. Unsurprisingly, we were excited to have the ~~time of our lives~~.

So, until July we had been accurately sticking to our plan and had already visited Germany, France and ~~Chze~~ Chzech when something an out-of-hand situation occurred. No sooner had we crossed the border between Chzech and Austria ^{than} our car broke ¹⁰⁰ down. I began to panic and run around like a headless chicken due to the fact that we were nowhere and the car didn't appear to come to life. And ~~that~~ ^{that} was the moment when Amy plucked up her courage and said, "We'll have to go on foot from now on." Undoubtedly, that was the best decision at the moment, and we went on our own along the road in search of the nearest village. Eventually, we ~~came~~ ^{had come} across a gasoline station where we were helped by the locals. Later that ~~eveni~~ ^{even} day I said to Amy, "If it wasn't for you, I'd ^{be} still sitting ~~in~~ in my car crying out loud. Thank you, Amy."

Having had this extraordinary experience, I thereafter realised that the ~~an~~ essential part of any journey is not always your ~~itiner~~ ^{itinerary} or goals. It is people ^{which} ~~that~~ accompany you. So my father ~~once~~ said to me, "A journey is best measured in friends rather than miles." Undoubtedly, he knew ^{surely} what he talked about. If I hadn't had Amy with me, that journey ~~wouldn't~~ ^{surely} be as exciting half as exciting.
