David McRib^b and the
Iridium Spork.

~~One day, a young man called David McRib was out for a walk, when suddenly he was lucky enough to fall into a twenty-five meter deep hole.~~

gr One day, a young man called David McRib decided to take a stroll. Suddenly, he was lucky enough to fall into a 100m deep hole. After a long fall, he found himself lying on a pile of rocks and surrounded by nothing but cave walls. While figuring out how on Earth he didn't die and how he can return home, David saw a small passage and decided to follow it. 79

sp After a while, our hero saw a spork on the ground. "Huh, weird", - he said to himself and picked it up. Several 100 hours later, he David saw a big castle. "Even weirder", - though he mumbled David in confusion. Anyway, he entered the castle and after some wandering around, he saw a ^{sleeping} princess and an old man. "Hello, young traveler", - said the old man, - "As you can see, this princess is ill, and the only thing that can save her is the iridium spork!". "Like this one?" - asked David, revealing the spork. "Yes, yes!", - shouted the old man happily. After giving the spork to the princess, she woke up and thanked her savior by teleporting him back home. 195

gr David look After arriving at home, David looked at his smart watch and realised, that he somehow was able to somehow walk over a thousand miles! But, as we all 222 know, a journey is best measured in friends rather than miles, so, unfortunately for our hero Courageous hero, this adventure was quite meaningless for him. 246
