Why don't we go hiking?
John was just an ordinary ²⁰ clerk, working
for a big company. John was ²⁰ overworked, sick
both physically and mentally. One of these
exhausting days he said to himself: "I want
to go climb Everest".

He took all of his savings and left a
job. A week later he was near the mountain
itself. But motivation alone wasn't enough.
He needed equipment and somebody who
knew the way up. After a while he met some-
one who looked like he could help.

- Hello, my name is John and I want to climb
Everest.

- Are you sure about that? It's a very
dangerous endeavor!

- Yeah, I'm pretty confident in my skills.
After a while this same man named
himself Kangaz and agreed to help John.

A week later they were halfway
through the mountain. Their food stocks
were short. They couldn't survive their way
back.

- This is it. - Said Kangaz

- No way it is! - John answered.

John knew how to find food in a wild.
Father taught him. He created a trap
and put a little bit of food inside, in order
to lure something in. And it worked almost
immediately, catching a little bunny.

Another week²⁰⁰ passed and our holidays²¹⁰
are finally standing on top of the mountain.
However, John was satisfied with it. Not
to say²²⁰ that I'm not excited being here, it's just
that the thought of me being here doesn't
bring any²³⁰ emotion²⁴⁰!! - said John

Well, if there is an old saying²⁵⁰, that says
like a journey is best measured in friends
rather than miles. I helped you and you
in turn helped me to get here. I would
say we're friends now!! - said Kenaz
