Title

It literally took Anne 5 hours to wait. She has never seen ^{so} such a long queue in her life. Anne^{so} went over the whole continent just to buy a new brand^{so} new bag of some famous designer. She even skipped her^{so} grandmother's birthday. Gr. Finally, she can do it. The bag she^{so} wanted so bad is finally hers. She handed her bank card to the staff over the desk to hear "Not enough money on your card." Anne's eyes ~~open~~ widened. She looked up her balance in a mobile bank app to find only ~~a few~~ ^{a few} dollars. She didn't know what to do. She spent too much money during her stay in the city^{so}. It took her so much effort to get there, and now she has ~~zero~~ ^{almost} zero balance. She left the shop^{so} to go to the nearest bar. She spent her last^{so} money there to buy drinks. An unknown woman sat near her to chat. Being a bit drunk, Anne was chatted easily. She told the whole story to the woman. When she^{so} ended the woman told her the phrase Anne will never forget "A journey is measured best measured in friends rather than miles." Anne went numb for some time, but then rapidly called her grandmother to congratulate her. Then she looked at the woman and said "I don't care about the bag and money anymore. How about we meet tomorrow? I want you to show me the city." The woman laughed for a minute, but she understood how courage Anne was to give up her goal after almost reaching it. The next day they met and that was the beginning of a new friendship.
