So he decided to go somewhere he has never been.

100 Johnny wanted to go to Australia not only for a change, he wanted to purchase an extremely rare limited edition Jaguar. He has been touring with a lot of guitars but this time he wanted for it to be special. That guitar could only be bought in a town in Aus. there and nowhere else. So, he booked a plane flight, got on the plane and after 12 hours he was in Sydney. He decided to look up the address of the shop but he didn't find anything about it on the Internet. He asked the locals for directions but they didn't know either. So after 7 hours of wandering around the city in search of the shop he almost gave up, but then he decided to look it up to ~~find~~ ~~see~~ ~~was~~ the address and noticed that it actually wasn't in Sydney. It was located in a city that wasn't on any map. It was called Sonarville. After another 3 hours Johnny knew how to get there. He found the building after 5 hour ride. He was really excited.
